

Benu: the Archangel Gabriel will bring The Higher Teachings of the Universe To Santa Fe in 2019

- Karen Cook, a trans-dimensional channel from Albuquerque, New Mexico, has been channeling the energy of Benu, the Archangel Gabriel, for over 45 years. Benu is here to bring the power of unconditional love back into our lives with wisdom and great humor.

The workshops are 3 hours in length with the first 1 ½ hours devoted to Benu's teachings about the topic and the last 1 ½ hours set aside for Benu to answer non-personal questions from the audience. Questions can be on any philosophical, spiritual or current event topic.

Archangel Benu / Gabriel is the only Archangel that trances through someone on the Earth on a regular basis.
